DEBTORS' FIFTY-NINTH OMNIBUS OBJECTION TO PROOFS OF CLAIMS
[THIRD PARTY AGENTS/EXTERNAL COMMISSIONS CLAIMS]

TO THE HONORABLE ARTHUR J. GONZALEZ,
UNITED STATES BANKRUPTCY JUDGE

MCI, Inc. (successor to WorldCom, Inc.) and certain of its direct and indirect subsidiaries, as debtors and debtors in possession (collectively, the "Debtors"), respectfully represent:

JURISDICTION

1. The Court has jurisdiction to consider this Objection and the relief requested herein pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

BACKGROUND

2. On July 21, 2002 (the "Commencement Date") and November 8, 2002, WorldCom, Inc. and certain of its direct and indirect domestic subsidiaries commenced cases under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code"). By Orders dated July 22, 2002 and November 12, 2002, the Debtors' chapter 11 cases were consolidated for procedural purposes only and are being jointly administered.

3. On October 31, 2003, the Debtors' Modified Second Amended Joint Plan of Reorganization (the "Plan") was confirmed. The Plan became effective on April 20, 2004.

SCHEDULES AND PROOFS OF CLAIM

4. On November 21, 2002, the Debtors filed their Schedules of Liabilities (as amended and supplemented, the "Debtors' Schedules") and their Schedules of Executory Contracts and Unexpired Leases. On December 5, 2002, the Debtors filed their Statements of Financial Affairs.

5. On October 29, 2002, this Court entered its Order (a) Pursuant to Bankruptcy Rule 3003 (c)(3) Establishing the Deadline for Filing Certain Proofs of Claim and Approving the Form and Manner of Notice Thereof (the "Bar Date Order"). The Bar Date Order established January 23, 2003 as the bar date (the "Bar Date") for filing proofs of claim in these cases. Pursuant to the terms of the Bar Date Order, on or about November 22, 2002, the Debtors mailed notice of the bar date (the "Bar Date Notice") to in excess of 1.2 million creditors and potential claimants.

6. On March 25, 2003, the Court entered its Order Pursuant to 11 U.S.C. § 105 Approving Notice Procedures Regarding Claim Objections and Deemed Schedule Amendment Motions ("Claim Objection Procedure Order"), approving certain procedures regarding noticing of claims objections and omnibus motions for deemed schedule amendments.

7. The Debtors have been engaged in the process of reviewing filed proofs of claim in these Chapter 11 cases (the "Proofs of Claim"). The Debtors have begun the process of conducting a comprehensive review and reconciliation of all prepetition claims, including both the claims scheduled in the Debtors' Schedules (the "Scheduled Claims") and the claims asserted in the Proofs of Claim (the "Filed Claims"). This process includes identifying particular categories of Filed Claims that may be targeted for disallowance and expungement, reduction and allowance, or reclassification and allowance. To reduce the number of claims, and to avoid possible double recovery or improper recovery by claimants, the Debtors anticipate filing numerous omnibus objections to such categories of claims. This objection is one such omnibus objection.

8. The Debtors have reviewed each proof of claim listed on the attached Exhibit A and have concluded that one or more of the following objections apply to each such proof of claim:

- a. The claim was not timely filed.
- b. The claim purports to be secured, but is not a secured claim.
- c. The claim purports to be a priority claim, but does not qualify for priority treatment under Section 507(a) of the Bankruptcy Code.
- d. The claim exceeds the priority claim limit of \$4,650 set forth in Section 507(a)(3) of the Bankruptcy Code.
- e. The claim purports to be an administrative claim, but is not entitled to administrative status.
- f. The claim has been paid, settled or released and/or claimant has received full accord and satisfaction for the claim.

- g. The claimant has not provided sufficient information to support the claim or to permit the Debtors to evaluate it. The Debtors reserve the right to assert additional objections.
- h. The Debtors disagree with the amount claimed.
- i. The claim is a duplicate of another claim.
- j. The Debtors dispute the basis of the claim.
- k. The claimed amount should be offset or reduced by the amount owed by the claimant to the Debtor.

9. Accordingly, the Debtors object to each proof of claim listed on the attached Exhibit A and request that each such proof of claim be reduced and allowed in the amount stated, or disallowed and expunged in its entirety, or allowed as a general unsecured claim, as set forth in Exhibit A.

10. Separate objections and adversary proceedings may be instituted with respect to claims made by claimants against which Debtors also assert a basis for liability. Debtors reserve the right to commence additional adversary proceedings against the claimants listed in Exhibit A as they discover the basis for any such proceedings.

NOTICE

11. In accordance with the Claim Objection Procedures Order, notice of this Objection has been provided to counsel for the U.S. Trustee, the Committee, the Debtors' post-petition lenders, the United States Attorney for the Southern District of New York, the ad hoc MCI Noteholders Committee, AT&T Corporation, Puerto Rico Telephone Company, Inc., and the Mid-Size Carrier Group. Also in accordance with the Claim Objection Procedures Order, notice of this Objection has been provided to each of the persons or entities that filed the proofs of claim identified on Exhibit A and their counsel (if known) by means of a personalized Claim Objection Notice. The Debtors submit that no other or further notice need be given.

12. No previous application for the relief sought herein has been made to this or any other Court.

WHEREFORE the Debtors respectfully request entry of an order granting the relief requested herein and such other and further relief as is just.

Dated: October 13, 2004
